

Executive compensation

Current issues. Market expectations. Creative solutions.

A practical, comprehensive seminar that will give you an end-to-end perspective on executive compensation

Focus: New executive compensation disclosure rules proposed by Canadian Securities Administrators for the 2009 proxy season

Join a panel of experts as they discuss:

- current trends in plan design
- pay for performance compensation policies
- new executive compensation disclosure rules
- creating an effective compensation discussion and analysis (CD&A)

Hot topics we'll cover

- new performance target disclosure requirements
- best practices in stock option granting
- current trends in change of control provisions
- communicating effectively with investors, analysts and regulators
