Thanks to your generous support the Mazinyane Preschool is in its 10th year, now supporting 400 children and 17 staff. In November 2010, African Pre-schools Society opened its second project - 'Sunshine', in Mbazwana, a rural community bordering Sodwana Bay National Park and by January 2012 has welcomed 180 Zulu children. Electricity and running water are always the biggest challenge. In addition to pre-school classes, these impoverished children also receive two nourishing meals daily. To date, CA\$ 582,000 has been spent on these projects and the current annual budget for staff salaries, electricity, meals and school supplies is approximately CA\$58, 000. Once again, our sincere thanks for your support.
